IN RE: MAVERIX.NET, INC.

Application for a Certificate to Provide Competing Local and
Intrastate Interexchange Telecommunications Services

PRE-FILED TESTIMONY OF THOMAS N. KALISHMAN

ON BEHALF OF

MAVERIX.NET, INC

March 23, 2000

Q: Please state your name and business address.

A: My name is Thomas N. Kalishman. My business address is 20 South Clark, 28th Floor, Chicago, Illinois 60603.

Q: By whom are you employed and in what capacity:

A: I am CEO of Maverix.net, Inc.

Q: Please briefly describe your background and qualifications.

A: Prior to joining Maverix.net, Inc. I was President of United Pipeline Systems, Inc., a subsidiary of Insituform Technologies, Inc. In that position I orchestrated a turnaround of the high pressure pipeline rehabilitation business. Additionally, I was Director of the North American Rehabilitation Group of Insituform Technologies, Inc. where I managed the consolidation of the eastern North American business units. Before I joined senior management at Insituform Technologies, Inc. I built the southeast region operations group from start-up into what is now the most profitable region in the corporation. I continue to work with Insituform Technologies, Inc. as a member of the Board of Directors and on the Advisory Board of the EM³ program (a joint program between the graduate business and engineering schools) at the John M. Olin School of Business at Washington University. I hold a Masters Degree in Management from the J.L. Kellogg Graduate School of Management at Northwestern University and a B.S. in Economics from the Wharton School at the University of Pennsylvania. My

concentration was is finance. My expertise, as reflected in my career history is in business start up, corporate strategy and finance. Maverix.net, Inc. is currently providing service in Missouri where I am gaining experience in the field of Telephony.

Q: For whom are you testifying in this matter?

A: I am testifying on behalf of Maverix.net, Inc.

Q: Please provide a description of your company?

A: Maverix.net, Inc., Inc. is a telecommunications company that provides competitive high-speed digital communications technologies for non-switched, local exchange and interexchange services. Corporate headquarters are located in Chicago, Illinois. The Customer Service and Operational departments are located in Chicago, Illinois. Maverix.net, Inc. is a privately-owned company incorporated under the laws of the state of Delaware. Maverix.net, Inc. received its certificate of authority to transact business in Tennessee on November 3, 1999. Maverix.net, Inc. will market its services under the trade name Maverix.net, Inc.

Q: What is the purpose of your testimony?

A: The purpose of my testimony is to support the grant to Maverix.net, Inc. of authority to provide resold and facilities-based local exchange and interexchange service within the State of Tennessee. Additionally, to illustrate to the TRA that Maverix.net, Inc. is well-qualified financially, technically and managerially to provide the services for which it seeks authority within the State of Tennessee.

Q: Are you familiar with the Application submitted by Maverix.net, Inc. to this Commission?

A: Yes.

Q: Do you ratify and confirm the statements made therein?

A: Yes.

Q: What type of service does Maverix.net, Inc. propose to provide within the State of Tennessee?

A: Maverix.net, Inc. proposes to provide high-speed digital data communications for non-switched local and interexchange services. Maverix.net, Inc. will support direct dial calling, toll free calling, operator assisted calling, directory assistance, emergency 9-1-1 calling and connectivity to the Telecommunications Relay Service at such a time as it implements voice services.

Q: How will Maverix.net, Inc. provide its services in Tennessee?

A: Maverix.net, Inc. intends to utilize xDSL technology by collocating in incumbent central offices and purchasing unbundled network elements, specifically xDSL loops. Maverix.net, Inc. has completed the process of notifying the Local Exchange Carrier (Bell South) and has begun negotiating appropriate resale and interconnection agreements.

Q: In what areas of the State does Maverix.net, Inc. propose to provide service?

A: While Maverix.net, Inc. has asked for authority to provide local services throughout the State of Tennessee, its primary markets will be the BellSouth

exchanges. The specific exchanges will be listed within the Local Exchange Service Tariff that will be filed prior to the provision of service.

Q: Is Maverix.net, Inc. currently providing service in any other state?

A: Maverix.net, Inc. is operating in Missouri and has applied to the appropriate state Commissions to provide local services in the states of Illinois, Wisconsin, Arkansas, Kansas, Texas, Oklahoma, Michigan, Indiana and Tennessee. Approval has been received in Kansas, Illinois and Texas. Maverix.net, Inc.'s application is pending in the remaining states. Maverix.net, Inc. is in the process of filing in Kentucky, Mississippi, Louisiana, Ohio, Nebraska, South Dakota and Iowa.

Q: Does Maverix.net, Inc. have adequate access to capital necessary to provide the Tennessee intrastate services it proposes to offer?

A: Yes, Maverix.net, Inc. just recently closed a deal with a venture capital firm which is reflected in our revised financial statements including "cash on hand" in the amount of \$12, 975, 000 as of March 3, 2000. Included with the filing of this testimony is a Late Filed Exhibit for your consideration, a Financial Attestation Letter from the American National Bank.

Q: Will Maverix.net, Inc. provide its own billing services?

A: Maverix.net, Inc. purchased billing software from the billing software vendor Portal. Their reputation is nationally known. The invoices are prepared at corporate headquarters in Chicago with sufficient detail so that customers can

understand what they have purchased and for what price/rate. The billing system is capable of convergent billing so that all of the Maverix.net, Inc. services the customer subscribes to are listed on a single bill.

Q: What procedures has Maverix.net, Inc. put in place to ensure that new customers have affirmatively selected its services?

A: Maverix.net, Inc. has developed a procedure for assuring that new customers have affirmatively selected its services. All new customer orders require a written Letter of Authorization (LOA), signed by an authorized party. Training is provided to personnel in sales and order entry to ensure that no customer is ever obtained through any means that is questionable. Maverix.net, Inc. has adopted a strict, no-tolerance policy against “slamming”.

Q: Does Maverix.net, Inc. have a toll-free customer service number:

A: Maverix.net, Inc. provides its customers with a toll-free customer service number, 877-628-3749 (877-MAVERIX). Customers can call the toll-free number 24 hours a day, seven days a week for prompt and courteous service. Maverix.net, Inc. customer service representatives are prepared to respond to a broad range of service matters; including the types of services offered, billing questions, concerns pertaining to the customer’s current service and general telecommunications matters. In addition the Maverix.net, Inc. technical staff is available to address technical problems or issues.

Q: Who is the Commission's point of contact for customer service issues?

A: Matt Carroll, Director of Customer Service will be the Commission's point of contact for customer service issues during these proceedings and in the future. Mr. Carroll can be contacted at 312-224-3100.

Q: How will Maverix.net, Inc. handle customer complaints?

A: Customers with complaints will have a customer service representative as their first point of contact. Customer service representatives have been trained to respond to usual and customary customer complaints. They are trained to understand complexity of complaints and will direct calls to appropriate people within the company. The customer service representative tracks whether or not the customer has been satisfied with the complaint resolution. At all times, Maverix.net, Inc.'s policy is to treat customers with respect and understanding.

Q: Has any state ever denied Maverix.net, Inc. authority to provide service for any reason?

A: No

Q: Will Maverix.net, Inc. abide by all applicable Commission rules and regulations?

A: Yes. Maverix.net, Inc. will abide by all Tennessee rules and regulations applicable to new entrants that are currently in place or adopted in the future.

Q: How will the public interest be served by approving this Application?

A: The objective of the Federal Telecommunications Act of 1996 is to foster the development of competition for the ongoing benefit of consumers. The telecommunications industry is growing and changing at an impressive pace. Maverix.net, Inc.'s entry into the local market will enhance competition and therefore, benefit both business and residential customers. The demands of a competitive market provide for affordability of services and an assurance of quality service. Service providers who offer competitive pricing, innovative products, and excellent customer service will thrive within the market place. Consumers will have choices of what service provider best meets their needs. Companies that do not provide service that meets the customer expectations can expect to lose market share and ultimately, be eliminated from the industry. In addition, Maverix.net, Inc. proposes to serve both residential and business customers so that all classes of customers can benefit from the evolving competitive market. Competing service providers will be required to be innovative, improving the efficiencies of operation, thereby reducing costs that can be passed on to consumers.

Q: Does this conclude your testimony?

A: Yes, thank you.
